

5 DAYS OF ACTION

KNOW, SEE, RESPOND • APRIL 21–25

Join us in taking a stand to protect children from sexual abuse by signing the **YMCA 5 Days of Action pledge**. This pledge is a commitment to learn, spread awareness, and take action to create a safer environment for kids in our community. Every child deserves to grow up in a safe and supportive space, and together, we can make a difference.

After signing, take a picture of yourself holding the pledge and share it on social media to help spread the message and inspire others to take action.

Sign the pledge today and be a champion for child safety! #FiveDaysofAction
